We offer a wide array of content to support Federal libraries, regardless of the scope or focus. ProQuest also supports scientific, technical, medical, legal, and military libraries in the United States and abroad with unparalleled, reliable resources as well as research and data management tools.

- Monitor current news and developments in a rapidly changing world
- Pinpoint hard-to-find data
- Analyze the latest research and its implications
- Make informed decisions and chart new strategies

WORKFLOW SOLUTIONS

ProQuest provides a variety of innovative technologies that make the acquisition and management of library collections easier.

- **Intota™** is a library services platform combining discovery, collection management and assessment—all-in-one system built on a single authoritative knowledgebases updated with your data and ours.
- **Intota™ Assessment** provides the total picture of holdings, usage, and overlap across your entire collection, for both monographs and serials, in both print and electronic formats. You can now make evidence-based decisions which are increasingly important in times of shrinking acquisition budgets.
- **Summon® Service** increases the value of the library by delivering an unprecedented research experience. More than a single-search box, the service makes your collection more discoverable and provides unique ways for users to connect with librarians.
- **360 Link** delivers the highest number of accurate links to ensure users are connected to your valuable resources.

“THE VALUE OF LIBRARIES WITHIN GOVERNMENT AGENCIES IS DIRECTLY TIED TO THE VALUE OF PRODUCTS AND SERVICES THAT PROQUEST PROVIDES. EVERYONE HERE WANTS OUR CUSTOMERS TO SUCCEED.”

RICHARD HUFFINE, PROQUEST
SENIOR DIRECTOR FOR THE
