O’Reilly for Public Libraries:
Essential Business and Technology Content for Professional and Personal Development

Give your patrons the knowledge they need to advance their careers – and tune into the business and technology trends shaping the future! O’Reilly for Public Libraries brings your community on-demand access to essential ebooks and streaming video from more than 200 publishers.

AN EXPANSIVE RANGE OF CONTENT

O’Reilly for Public Libraries includes more than 45,000 books and 30,000 hours of streaming video in the areas of information technology and software, business, digital media, professional and personal development and desktop and web applications. Your patrons will also enjoy:

- 900+ books from the “For Dummies” series
- Hundreds of books and videos for makers, gamers and tinkerers
- More than 100 hobbyist titles including “STEAM Lab for Kids” and “The LEGO Build-It Book, Volumes 1 & 2”
- 150 titles for job-seeking and career development – including “Job Hunting for Rookies,” “The Best Job in the World: How to Make a Living From Following Your Dreams” and “Your Job: Should You Go or Should You Stay?”

Give your patrons access to the largest selection of business- and technology-related ebooks and streaming video available. They’ll enjoy a wealth of information on career development, test preparation, finance and management, web and software development, artificial intelligence and much more.

THE SAME CONTENT USED BY GLOBAL COMPANIES FOR WORKFORCE EDUCATION

From banking to retail to aerospace, well-known global businesses trust O’Reilly content for workforce education. Give your patrons access to the same materials used by employees of Microsoft, Nike, Amazon and more!

QUALITY CONTENT YOUR COMMUNITY CAN TRUST

In addition to O’Reilly’s authoritative content, your access includes curated content from 200+ of the world’s most respected publishers like McGraw-Hill, Taylor & Francis, Wiley, and HarperCollins.
