Historical U.S. National and Regional Newspapers
The Arizona Republican (1890-2007)
The state’s largest newspaper

FROM THE DUST of the territory’s new capital, Phoenix, The Arizona Republican arose in 1890 to ultimately become the state’s largest newspaper. Fighting for business, publishers of the area’s early papers often dueled for readership with colorful, sometimes combative language and sensationalized stories. In one instance, it went further than words; someone actually shot at Edwin S. Gill, one of the Republican’s first editors.

Delivering news about a changing world to its readers, The Arizona Republican focused on local and national politics and ways to make the territory a better place to live. It was instrumental in the campaign for Arizona statehood, which was achieved in 1912.

Reporting on events taking place shortly after the surrender of Apache Chief Geronimo and the fighting of the Mexican Revolution, to America’s entry into World War I, the founding of the Grand Canyon National Park, and the roots of today’s immigration debates, this historical newspaper provides readers and researchers with a unique view of history from a Southwestern perspective.

The Boston Globe (1872–1987)
A window through which to study New England and American history

**THE DEVASTATING 1872** Boston fire. The suspenseful 1893 Lizzie Borden ax murder trial. The catastrophic 1919 police strike. Mid-twentieth century decline and renewal. These dramatic stories as well as accounts of everyday life in historical New England await your online researchers in the digitized pages of The Boston Globe (1872-1987), part of ProQuest’s Historical Newspapers.

In the late 1800s and early 1900s, Boston, already one of America’s largest cities, was struggling to absorb the immigrants that continued to pour onto its shores. It was a time of rapid industrialization, technological innovation, and urban development. It also was an era that saw a dramatic rise in the cost of living, the deterioration of labor relations, and an increase in poverty and crime. By the mid-twentieth century, Boston had entered a period of decline, which was followed by controversial urban renewal projects and an economic boom in the 1970s.

Whether your researchers are interested in genealogy, “Yankee” perspectives on local and national events, politics, culture, urban development, business, religion, or other topics, The Boston Globe provides a window through which to study firsthand this fascinating time and place in American history.

Chicago Tribune (1849–1995)
A chronicle of Chicago's dramatic history

WHEN FIRST INCORPORATED, Chicago was a swampy little town populated only by a few hundred people. Soon after, the historical Chicago Tribune (1849-1995) began chronicling the city's challenges, achievements, and evolution into one of America's finest cities.

The Chicago Tribune provided detailed accounts of the Great Fire of 1871, which killed hundreds, nearly destroyed the city, resulted in many reforms, and spurred new growth. In 1893 and 1909, the newspaper's special Chicago Jubilee issues described and celebrated the city's tremendous progress. It also reported on the Progressive Movement, followed the works of Nobel Peace Prize-winning social reformer Jane Addams, exposed the activities of mobsters like Al Capone, and reported on the city's machine politics. To incisively convey ideas, opinions, and emotions, the Chicago Tribune relied on Pulitzer Prize-winning John T. McCutcheon's editorial cartoons.

To trace the development of Chicago and the Midwest, and to study subjects as diverse as politics, architecture, social reform, and art, start with the historical Chicago Tribune.

AFTER BEING PROVOKED by Joseph Pulitzer's New York World newspaper for her unconventional religious ideas, 87-year-old Mary Baker Eddy founded The Christian Science Monitor. In contrast to the yellow journalism of the day, this newspaper's directive was to "injure no man, but to bless all mankind." Over the decades, her newspaper has earned many awards for journalistic excellence — including, ironically, several "Pulitzer" Prizes.

With the exception of publishing one religious article each day at the request of the pioneering Mrs. Eddy, The Christian Science Monitor provides secular, balanced coverage of international news and events, as a public service. For more than 100 years, its staff writers and correspondents around the world have reported on wars, scientific discoveries, human rights abuses, political campaigns, the arts, the environment, and people trying to make a positive difference.

The Cincinnati Enquirer (1841–2009)
News from the Perspective from an Early Western Boomtown

WHEN THE CINCINNATI Enquirer printed its first issue 1841, the thriving city – the nation’s 6th largest in the mid-19th century - was known as “The Queen of the West.” A remarkable period of rapid growth, epitomizing the expansive spirit of the country at large, gave The Cincinnati Enquirer a unique perspective to report on international, national and regional news.

Sports, music, historic architecture and unique culinary staples, like “Cincinnati Chili” (which is served over spaghetti) and Goetta (a German-inspired fried meat and grain sausage) are central to the city’s culture. Cincinnati’s major league baseball team, the Cincinnati Reds, originated as America’s first professional baseball team, the Cincinnati Red Stockings. A vibrant jazz scene, which continues to the present day, contributed to the careers of such luminaries and Louis Armstrong, Jellyroll Morton and Hoagy Carmichael. Additionally, several Fortune 500 companies are headquartered in Cincinnati, including Procter & Gamble, Kroger and Macy’s, Inc.

The digitized pages of this historic newspaper (1841-2009) provide researchers from a range of studies, including history, political science, economics and genealogy, with reports on world affairs, national events and a record of regional topics related to agriculture, manufacturing, government and people from the exciting, dynamic viewpoint of a quintessential western boomtown.

Detroit Free Press (1831-1999)
“On Guard Since 1831” in the Motor City

TEN PULITZER PRIZES. Four Emmy Awards. One hundred and sixty-eight years of coverage. The first issue of the Detroit Free Press came hot off the presses on May 5, 1831 as The Democratic Free Press and Michigan Intelligencer, before Michigan had even entered statehood. This historic newspaper was first in many ways: First U.S. newspaper to print a regular Sunday edition. First U.S. newspaper to publish court testimony. It sent reporters to Civil War battlefields to describe the action, set up a Washington bureau to report on politics, and was the first American newspaper published in Europe when it began a London edition in 1881.

Scholars of labor relations, union history, and the automotive industry will find the Free Press a fundamental and must-have resource for insight on the birth of the Motor City, development of the United Automobile Workers (UAW) and auto manufacturing. Art and architecture. The race riots of 1943 and 1967. The Detroit Tigers. Stevie Wonder and The Supremes. Hartford Courant (1764–1992)
A front-row seat to the American Revolution

**AMERICA’S LONGEST CONTINUOUSLY** published newspaper, the Hartford Courant is literally older than the nation. It provides historians and other researchers a front-row seat from which to view the birth of an independent nation.

In the Courant’s pages, today’s researchers will find firsthand accounts of colonists’ reaction to the Stamp Act, reports of the Boston Tea Party, and a copy of the Declaration of Independence. The newspaper’s existence was so crucial to the rebels’ cause during the American Revolution that when its paper mill burned, the Connecticut legislature authorized a lottery to build a new mill.

This publication also chronicles slavery in the United States, capturing the complexity of the debate by simultaneously publishing ads for the capture of fugitive slaves and writing in opposition of the Fugitive Slave Act. It became a staunch supporter of Abraham Lincoln’s 1860 presidential campaign.

To study life in the U.S. from its very formation during the American Revolution, to its near collapse during the Civil War, and to its growth throughout the 20th century, start here, with ProQuest.

Louisville Courier-Journal (1830–2000)
Kentucky's newspaper of record. 10 Pulitzer Prizes

THOMAS EDISON. The Kentucky Derby. Strip mining. Prohibition. Decades of natural disaster, including the devastating tornado of 1890 and the Ohio River flood in 1937. Louisville's Courier-Journal offers award-winning in-depth coverage of the pivotal people and events who shaped the local region, and made an impact on the rest of the world.

In the early decades of the 20th century, the Courier-Journal became a forum for conflict when it was purchased by liberal Robert Worth Bingham whose views clashed with the longtime conservative editor, Henry Watterson. The paper went on to become a progressive voice in southern politics, championing causes such as public education, equal rights for blacks and advocating for the poor of Appalachia. The Courier-Journal became the first U.S. daily newspaper to appoint a woman managing editor when Carol Sutton accepted the position in 1974.

For researchers seeking an authoritative regional perspective on national and international events, as well as local perspectives on community news, the digitized pages of this newspaper (1830-2000) are a valuable resource in a variety of fields, including history, political science, African-American studies, genealogy and more.

Minneapolis Star Tribune (1867-2001)
Award-winning news from the City of Lakes

Prince. Bob Dylan. Husker Du. The Andrews Sisters. These musicians are just some of the many notable people – including artists, activists, scientists and politicians – who have contributed to the progressive, independent and creative climate of Minneapolis. Researchers will find robust primary source insights on the development of this slice of American culture in the city’s long time newspaper, the Minneapolis Star Tribune.

Early issues of the Star Tribune also document the rise of Minneapolis as a business hub, with coverage of growth in flour-and graining-milling industries, culminating in the foundation of General Mills, Pillsbury and the Washburn-Crosby Company. Related stories trace the railroad boom of the late 1800s, the debut of the first hydroelectric power plant in 1882, and the advent of worker protection laws resulting from the Teamsters strike of 1934.

Other regional topics that reflect national and international trends of the times include news about gangsters and bootleggers during Prohibition, as well as civil rights activities in response to anti-Semitism, backlash against the first major party Black candidate for the city’s mayor, and the establishment of the American Indian Movement for the advancement of Native Americans.

The Nashville Tennessean (1812–2002)
National, International and Regional News from “The Volunteer State”

NASHVILLE’S PRIMARY NEWSPAPER emerged during a defining period in the history of Tennessee, the same year the War of 1812 was declared on Britain and the state established its enduring political and military legacy. Tennesseans volunteered in masse (hence the nickname “The Volunteer State”) to help defend the nation’s “Lower Country” under the command of Maj. Gen. Andrew Jackson. Through to the victory at the Battle of New Orleans in 1815, the publication (then known as the Nashville Whig) provided in-depth coverage of a war close to its readers’ hearts.

Nashville’s other nickname, “Music City USA” is inspired by legendary country music landmarks and attractions found there, including the Country Music Hall of Fame and Museum, Belcourt Theatre, and Ryman Auditorium, the original home of the Grand Ole Opry. Additionally, the city is known as “The Hot Chicken Capital” after a spicy local take on fried chicken which is celebrated during the Hot Chicken Festival each year in Nashville.

Beyond major events covering nearly two centuries, including the state’s pivotal role in the American Civil War, and other national and international news, the digitized pages of The Nashville Tennessean (1812-2002) provide unique historical insight into the regional issues and concerns, such as local government, industrialization, prohibition, and racial struggles. This diverse, easily-accessible primary source material is an invaluable tool for effective research by users in almost any field.

**The Philadelphia Inquirer (1860-2001)**

Third-oldest surviving newspaper in the U.S.

*The Philadelphia Inquirer*, one of the longest surviving daily newspapers in the United States, is known for its coverage of the American Civil War that was popular with readers on both sides; its published works by Charles Dickens and Edgar Allen Poe; and its reporting of breaking news in the city, country, and around the world.

From the first shots fired upon Fort Sumter and the start of the Civil War, to the assassination of civil rights advocate Octavius V. Catto over the right for Blacks to vote; from the flu pandemic of 1918 that killed 12,000 Philly residents in one month — and 675,000 in all nationwide — to the debut of a local dance show, American Bandstand in 1952, *The Philadelphia Inquirer* offers a regional perspective of an exceptionally unique mix of historical events as they unfolded.

NEARLY AS OLD as the United States itself, the Pittsburgh Post-Gazette performed one of its initial acts of public service by printing the newly adopted Constitution of the United States in 1787. Then a four-page weekly produced on a wooden press, Post-Gazette was the first newspaper to make the dangerous journey by wagon over the mountains from Philadelphia.

The Post-Gazette went on to offer leading coverage of the U.S. westward expansion into Ohio and the Northwest Territory, the political unrest leading to the U.S. Civil War, and the industrial revolution—from coal mining to the rise of the steel industry. Andrew Carnegie. Henry Clay Fricke. Andrew Mellon. H.J. Heinz. United States Steel Corp. The Homestead Steel Strike. The Pittsburgh Steelers. Carnegie-Mellon Library. And so much more. All covered in the pages of the historical Post-Gazette.

Today, the daily publication – winner of six Pulitzer Prizes since 1938 – is the largest daily newspaper serving metropolitan Pittsburgh. Reporting news in a city that was once considered the industrial center of a nation, and now considered an education and medical hub, this newspaper offers researchers valuable regional perspectives on international, national and local news.

San Francisco Chronicle (1865–1922)
Chronicling Western expansion, growth, and immigration

NOT EARTHQUAKES, NOT FIRES, not even the murder of one of its owners by a minister could stop the independent and often irreverent presses of the San Francisco Chronicle. Founded by two teenage brothers in 1865 when the West was still wild, this newspaper lets researchers travel back in time to experience the completion of the transcontinental railroad, the Klondike gold rush, the San Francisco earthquake and fire of 1906, America's entry into World War I, and many other events that shaped both the City by the Bay and the United States.

During its first five decades, the San Francisco Chronicle presented issues from a young, Northwestern perspective, giving researchers a window through which to study westward expansion, Chinese immigration, machine politics, urban planning, war, public policy, and more.

Mark Twain, Bret Harte, Jack London, and Rex Beach are among the writers who contributed to the San Francisco Chronicle's pages — some without benefit of a byline — during the early years. To trace San Francisco's history from a muddy frontier town full of pistol-packing pioneers and corrupt politicians, through its entry into the Roaring '20s, start here.

KATE CHOPIN. Tennessee Williams. Chuck Berry. Miles Davis. These are just some of the cultural icons of St. Louis featured in the city's long-running newspaper, the St. Louis Post-Dispatch. In addition, the publication includes coverage of all nine of the St. Louis Cardinals championships, an NBA title for the St. Louis Hawks in 1958 and the St. Louis Rams 2000 Super Bowl victory. The Post-Dispatch is also the nation's first paper with a color comics section.

The St. Louis Post-Dispatch was noted for its investigative reporting and human interest stories. Created by Joseph Pulitzer of two pre-existing newspapers, the Post-Dispatch is the only St. Louis newspaper still in print. It was the incubator for several well-known writers, including Mark Twain, who wrote for the newspaper from 1874 to 1891. In addition to valuable coverage of pivotal regional events – the history of Anheuser-Busch, a massive smog problem, the completion of the landmark Gateway Arch – the daily publication provides a uniquely Midwestern perspective of local, national and international news.

For researchers seeking authoritative insight on business, culture, African-American history, U.S. history, natural disasters, genealogy and much more, the digitized pages of this newspaper (1823-2003) are a valuable resource in a variety of fields, including history, political science, African-American studies, genealogy and more. As Joseph Pulitzer’s first newspaper, the St. Louis Post-Dispatch is an especially important research tool for journalism scholars today.

A PROGRESSIVE VOICE ON FLORIDA’S conservative west coast, the Tampa Bay Times is one of the top 10 newspapers in the United States. Known as the St. Petersburg Times until 2012, this publication is owned by the Poynter Institute for Media Studies, a non-profit school of journalism. This unique ownership structure ensures the newspaper’s independent voice and makes it an invaluable resource in the study of journalism and philanthropy.

From "true" to "pants on fire," reporters and editors of the St. Petersburg Times ranked statements from government officials and interest groups during the 2008 presidential campaign through its fact-checking initiative, PolitiFact.com. For this revolutionary tool – which examined more than 750 political claims during the 2016 election cycle, empowering readers to distinguish between evidence-based reporting and rhetoric – The St. Petersburg Times/Tampa Bay Times won one of the 12 Pulitzer Prizes it’s been awarded since 1964.

The paper has also been honored for its coverage of regional concerns, such as the urban growth of neglect in Florida mental hospitals and corruption in a local sheriff’s office. The St. Petersburg Times/Tampa Bay Times is an exceptional primary source for scholarship on local, national and international history dating from 1901-2009, as well for students honing critical-thinking skills to discern fact-based information.

Washington Post (1877–2002)
An unparalleled resource for comprehensive political reporting

KNOWN FOR ITS comprehensive political reporting, first-rate photo essays, Pulitzer Prize-winning editorial writing, and unmatched investigative reporting, the historical Washington Post (1877-2002) is an unparalleled resource for today's budding journalists, political historians, and students of government.

The Washington Post was the first newspaper in Washington to publish seven days a week. Early contributors included Joseph Pulitzer and a relatively unknown, un-bylined Theodore Roosevelt, who contributed stories about the West. Beginning in the 1940s, the newspaper featured editorial cartoonist Herbert L. Block (“Herblock”), who used his drawings to express indignation with political leaders and to “raise hell.” He coined the term “McCarthyism” in the 1950s and was unrelenting in his graphic characterization of Richard Nixon.

This newspaper is perhaps most famous for a series of stories that began with a break-in at the Watergate office complex in 1972. When it was all over, reporters Woodward and Bernstein were household names, and President Nixon had resigned in disgrace. To uncover even more Washington intrigue and drama, start here, with ProQuest.

The Globe and Mail (1844–2014)
Canada's National Newspaper of Record

THE GLOBE AND MAIL is Canada's largest circulation national newspaper and is typically cited as being “Canada's Newspaper of Record.” The Globe was founded in 1844 by Scottish immigrant George Brown, a liberal who later became a Father of the Confederation, and in 1936 merged with The Mail and Empire and became The Globe and Mail. While the paper was largely known as a general conservative voice of the business establishment, it did have some liberal sway; an editorial in a 1967 issue coined the phrase “The State has no place in the bedrooms of the nation.”

The Globe and Mail, as Canada's National Newspaper of Record, is a great complement to the historical New York Times with Index.

**The Guardian (1821–2003) and The Observer (1791–2003)**

Fearless reporting and controversial opinions

*The Guardian* (1821–2003) and its sister paper, *The Observer* (1791–2003) give readers online access to facts, firsthand accounts, and opinions of the day about the most significant and fascinating political, business, sports, literary, and entertainment events from the past two centuries. From Napoleon's defeat at Waterloo to the Russian Revolution to Nelson Mandela's release from prison, these British historical newspapers bring history to life for researchers.

*The Guardian* and *The Observer* have reputations for fearless reporting and controversial opinions. *The Guardian* was first published in response to the Peterloo Massacre. Originally known as the *Manchester Guardian*, it was a Saturday-only paper until the newspaper stamp duty was repealed in 1855. Businessmen who hated its progressive opinions would tear the paper in half, throw the commentary out the train window, and only read the portion containing stock prices.

*The Observer*, the world's oldest Sunday paper, was first published in 1791. Thought-provoking writers such as George Orwell, Vita Sackville-West, Clive James, Philip Toynbee, and others were contributors, continuing a tradition of freedom of the press and providing serious coverage of politics and literature.

The Jerusalem Post (1932–2008)
Historically influential news source of the Middle East

FOUNDED IN 1932 as The Palestine Post, this paper established itself as the top English-language paper of the Middle East and Jewish world. Popular with British servicemen and women stationed in the region, as well as readers in Cairo and Alexandria, the paper had strong readership in both Jewish and Arab cities throughout Palestine. The publication fervently supported the struggle for a Jewish homeland and freely opposed British restrictions on Jewish immigration.

In 1948, only months prior to the declaration of Israel as an independent state, terrorists parked a stolen vehicle loaded with explosives outside the newspaper office in the center of Jerusalem. The devastating attack left three people dead, dozens injured, and the presses completely destroyed. Yet, by the next morning, the latest edition of The Palestine Post was out in print, albeit in a reduced format, run off at small local print shop.

The publication came to be known as The Jerusalem Post in 1950. Over the decades, the paper espoused a left-leaning perspective that shifted to the right in the 1980s. It is regarded as one of the world’s most important newspaper titles, with in-depth historical coverage of regional and world events, and excellent resource for researchers of a various topics. But perhaps above all, this collection of digitized pages from The Jerusalem Post archives (1932-2008) particularly tells firsthand the history of the state of Israel.

WHEN IT WAS founded in 1817, The Scotsman was so radical that it was considered “incendiary.” Today, it continues to provide an independent voice and uniquely Scottish analysis of local and global events.

From the death of Sir Walter Scott to the death of Abraham Lincoln, from the publication of Mary Shelley’s Frankenstein to the fashion for tea salons in Victorian Glasgow, and from the Catholic Emancipation Bill to the crash of the U.S. stock market, The Scotsman captured the unprecedented turmoil and change occurring on both sides of the Atlantic during the 19th and 20th centuries.

Because The Scotsman, part of ProQuest’s Historical Newspapers, is delivered on the same platform as The Guardian, The Observer, The Irish Times, and Weekly Irish Times, researchers can easily compare and contrast facts and opinions conveyed in these newspapers. Toronto Star (1894–2015)  
Canada's highest circulation newspaper

THE TORONTO STAR is Canada's highest circulation newspaper and was unique among early North American newspapers in its consistent advocacy of ordinary people. It was an advocate of social causes such as the welfare state, old age pensions, unemployment insurance, and health care. It is generally considered to be the most leftwing of Canada's major newspapers and a major influence on the development of Canadian social policy. Its early opposition of the Nazi regime saw the paper become the first North American paper to be banned in Germany by its government.

The historical Toronto Star provides a great historical counter balance to The Globe and Mail.

Historical Black Newspapers

Essential primary source content and editorial perspectives of the most distinguished African American newspapers in the U.S. Each of the nine Historical Black Newspapers provides researchers with unprecedented access to perspectives and information that was excluded or marginalized in mainstream sources. The content, including articles, obituaries, photos, editorials, and more, is easily accessible for scholars of the history of race relations, journalism, local and national politics, education, African-American studies, and many multidisciplinary subjects.

From coverage by the first black White House correspondent and stories on the cultural explosion of the Harlem Renaissance, to exposure of, and arguments against, social injustice, these publications reveal history as it was being made, by the people who experienced it.
W.A. SCOTT II FOUNDED the Atlanta Daily World at a time when most black Americans lived in the South. He felt that “the race problem” could only be solved in the South, which required an informed community. Rather than reading news about African-Americans “through the optics of a host of prejudiced white papers,” he launched his own newspaper to educate, inspire, uplift, and promote the expression of the Southern black community.

Follow first-hand coverage of the infamous Scottsboro Case; read reviews of Richard Wright’s best-selling protest novel, Native Son; witness the fight for civil rights from a black, Southern perspective; and more through this historically important newspaper.

Home to the first black correspondent assigned to cover the White House, this newspaper continues to inform the Atlanta metropolitan community and beyond. More than seven decades of this newspaper’s historic coverage, online and easily searchable, is available from ProQuest for both researchers and readers.

The Baltimore Afro-American (1893–1988)
One of the most widely circulated African-American newspapers on the Atlantic Coast

FOUNDED BY FORMER slave John Henry Murphy, Sr. when he merged three church publications, The Baltimore Afro-American became one of the most widely circulated African-American newspapers on the Atlantic Coast. In addition to featuring the first black female reporter (Murphy's daughter) and female sportswriters, the paper’s contributors have included writer Langston Hughes, intellectual J. Saunders Redding, artist Romare Bearden, and sports editor Sam Lacy, whose column influenced the desegregation of professional sports.

Through the decades, the newspaper fought for equal employment rights, urged African-American participation in politics, and advocated state-funded higher education for blacks. In the 1930s, The Afro-American launched “The Clean Block” campaign, which is still in existence today, to clean up inner-city neighborhoods and fight crime. It stationed correspondents in Europe and the Pacific during World War II, providing first-hand reports to readers.

In the 1950s, working with the National Association for the Advancement of Colored People, the newspaper’s efforts contributed to the outlawing of public school segregation. To see history being made, start here.

EDITOR WILLIAM O. WALKER used his newspaper to rally the masses in support of equal rights, much as civil rights leaders would decades later. In the 1930s, the Cleveland Call & Post called upon the local community to support the Scottsboro defendants with letters, clothing, stamps, and cigarettes. It also encouraged donations to the defense fund for the innocent youths, reminding its readers that the freedom of nine Southern black boys wasn't all that was at stake — so were the rights of all black Americans to a fair jury trial.

Through his newspaper, Walker also promoted participation in politics, urged the establishment of legal aid societies by the African-American community, and encouraged black solidarity and self-reliance. Today's researchers can explore online 57 years of the Cleveland Call & Post.

**Chicago Defender (1910–1975)**  
Leading voice of the black community

**THE CHICAGO DEFENDER** has been a leading voice of the black community well beyond the Windy City, with more than two-thirds of its readership outside Chicago. The newspaper was a proponent of The Great Migration, the move of over 1.5 million African-Americans from the segregated South to the industrial North from 1915 to 1925. It reported on the Red Summer race riots of 1919, and editorialized for anti-lynching legislation and the integration of blacks into the U.S. military. This newspaper also supported the aviation career of Bessie Coleman, the first African-American female pilot, and promoted the writing of Langston Hughes and Gwendolyn Brooks, poet laureate of Illinois.

Over six decades of this newspaper’s historic coverage, online and easily searchable for both researchers and readers, is available from ProQuest.

UNDER THE LEADERSHIP of P.B. Young, the “Dean of the Negro Press,” The Norfolk Journal and Guide became one of the best researched and written newspapers of its era, with a circulation of more than 80,000 by the 1940s. It argued against restrictive covenants, rallied against lynching, encouraged blacks to vote, supported improvements to city streets and water systems, and more. In contrast to other black newspapers, such as the Chicago Defender (with which The Norfolk Journal and Guide is cross searchable), this newspaper campaigned against The Great Migration of Southern laborers to the North. It was one of only a few black newspapers to provide on-the-scene coverage of the 1930s Scottsboro trial, and helped raise legal funds for the nine young black defendants.

This Southern-based newspaper had to use a factual, unemotional tone in expressing opinions on social injustice. This approach attracted advertising from local and national white-owned businesses — such as Goodrich, Pillsbury, and Ford — that other black newspapers didn’t receive. Let these articles, advertisements, editorials, and so much more bring history to life for your researchers.

URGING AFRICAN-AMERICANS to actively participate in shaping their political destinies — and often leading the charge — the Pittsburgh Courier was once the most widely circulated black newspaper in the U.S. in the early 20th century.

The newspaper campaigned for increasing the number of black physicians and opening a hospital to serve the black community in Pittsburgh, where white facilities often refused to provide services. In the 1930s, the newspaper led a nationwide protest against the Amos ‘n’ Andy radio show and its advertisers because of the media’s offensive portrayal of African-Americans. The publication’s “Double V” campaign during World War II demanded equal rights at home for black soldiers risking their lives overseas.

Through the decades, intellectuals and influential writers such as W.E.B. DuBois, Marcus Garvey, James Weldon Johnson, Zora Neale Hurston, and others have written columns or reported for the newspaper. For access to these writers and more, ProQuest offers more than 90 continuous years of the Pittsburgh Courier online.

For historical coverage of regional, national, and international Jewish news and interests, the newspaper titles in this collection support in-depth research from a unique perspective. From news coverage and editorial perspectives issues related to the Holocaust, immigration and Zionism, to culture, genealogy and religious studies, these newspapers bring to life events, places, and people, highlighting a point of view not readily available or often included in mainstream media.

The international politics behind the establishment of Israel. The appointment of the first Jewish Supreme Court Justice. Spotlighted Jewish figures in art and literature. Developments in American Reform Judaism.

Scholars have the ability to explore issues and events such as these as they unfolded, from the perspectives of the people who were there.
FOUNDED IN NEW York City in 1857, The American Hebrew was established as the weekly source of news impacting international Jewish communities. Reports on the persecution of Jews in Romania and Russia, and the subsequent influx of Jewish immigrants to the U.S., were of intense interest to readers of the paper. In 1919, the publication featured an article called "The Crucifixion of Jews Must Stop!" by former New York governor Martin H. Glynn, where he cried out against the poor living conditions and treatment of Jews across Europe following World War I – a situation he discerned as a potential "holocaust."

The American Hebrew also spotlighted Jewish figures in arts and literature, such as Emma Lazarus, who gained posthumous fame when her sonnet "The New Colossus" was inscribed on the base of the Statue of Liberty in 1912. The poet published the first poem she translated from the original Hebrew in an 1883 issue of the newspaper, and she joined her voice with other writers to advocate for opportunities in industrial education for Russian refugees. A special issue commemorating the death of Lazarus in 1884 featured tributes from such literary luminaries as Robert Browning, Edgar Rice Burroughs and John Greenleaf Whittier.

Upon merging with The Jewish Messenger in 1903, the newspaper was officially known as The American Hebrew and Jewish Messenger. For students and researchers from a variety of fields, including U.S. and world history, culture, and Jewish studies, the digitized pages of this historic publication (1857-1922) are an invaluable resource from a Jewish American perspective in a rapidly changing world.

“LET THERE BE LIGHT” has been the motto of *The American Israelite* since it was first published in 1854 with the intention to illuminate principles of Jewish faith and instill a sense of community among American Jews who often lived in geographically dispersed locations. Originally printed as *The Israelite* until 1874, this weekly is considered the longest-running English-language Jewish newspaper available in the country.

Published in Cincinnati, OH, the paper was started by Rabbi Isaac Mayer Wise, best known as the founder of Reform Judaism in the U.S. *The American Israelite* published numerous editorial columns ardently in defense of the civil and religious rights of all Jews, written by Wise. These efforts eventually led to the formation of the Union of American Hebrew Congregations which he initiated in Cincinnati. Wise also frequently penned columns calling for a Jewish educational institution, resulting in the establishment of the Hebrew Union College. Additionally, Wise also wrote several novels which were published as serials in his newspaper.

For insight into the growth and development of Reform Judaism in the U.S., the digitized issues of *The American Israelite* (1854-2000) provide a valuable record of events and issues as they unfolded. Access to these primary source materials will be of benefit to students and researchers interested in culture and civil rights history, as well as national and world news presented from a Jewish American perspective.

The Jewish Advocate (1905–1990)
A historical perspective on the development of Jewish-American culture

*THE JEWISH ADVOCATE* was first printed in Boston, 1909, by Jacob deHass, executive secretary to the founder of modern political Zionism. With the intention to serve and unite the booming Jewish community throughout New England, *The Jewish Advocate* was formed to instruct on matters of the Jewish faith and to champion the establishment of a Jewish state. Briefly, the newspaper was also published as *The Jewish Home Journal* and *The Boston Advocate*.

The pages of *The Jewish Advocate* gave voice to the publication’s staunch support for the appointment of Louis Brandeis as the first Jewish Supreme Court Justice in the U.S. and nearly thirty years later for the foundation of Brandeis University in Waltham, MA. In the years leading up to the World War II, the newspaper was also a rare voice in the media to warn of Hitler’s rise to power in Europe, and the threat it posed for Jewish people. Following the war, organizations formed to rebuild the lives of Jewish refugees found support and a forum for discussion and debate in the weekly publication.

The Jewish Exponent (1887–1990)
“Devoted to the Interests of the Jewish People”

THE JEWISH EXPONENT first hit the presses in 1887, founded by a group of 43 prominent Philadelphia businessmen. This stock ownership was meant to ensure the newspaper represented the entire community while serving in its coverage of local, national and international news. Charles Hoffman, a native Philadelphian lawyer and rabbi, as well as an ardent Zionist, served as the publication’s first editor and publisher. He penned a weekly column, “Men and Things” as a platform to explore issues of conservative Judaism.

From the early days of the worldwide Zionist movement, The Jewish Exponent staunchly supported the establishment of a Jewish homeland and carried news of developments in Israel. Other topics the publication championed and brought to the attention of readers in the early and mid-20th century included Jewish immigration and the expanding influence in American public life. Over the decades The Jewish Exponent has not only been a primary source of news and information, but also a forum for stimulating discussion and debate. The publication has received annual awards from the American Jewish Press Association for excellence in Jewish Journalism.

This historical archive (1887-1990) benefits scholars and researchers interested in national and world history, Jewish culture, local genealogy, foreign relations, social issues and numerous other academic subjects. In addition, The Jewish Exponent provides a valuable historical perspective on the rise of Zionism, issues related to Jewish immigration, and the development of Jewish-American culture.

Specialty Historical Newspapers
Communist Historical Newspapers
Publications of the Communist Party USA, 1919-2013

A UNIQUE LOOK AT HISTORY, through the eyes of the Communist Party USA. Workers’ rights, social issues, national and international politics, culture and Party activity are just some of the topics to be explored on the pages of these Communist Party newspapers, featuring such notable contributors as writer Richard Wright, folk singer Woody Guthrie and political cartoonist Robert Minor.

These publications were not only used by Party members to share news and exchange ideas. A large number of subscribers in the late 1950s-1960s were CIA agents or front companies linked to the CIA, according to ex-agent Philip Agee. He claimed that funds from CIA subscriptions prevented one of the titles, Daily Worker, from having to shut down.

While much of the content in these newspapers focuses on workers’ rights and organized labor (a boon to scholars in these fields), other articles and ads reveal a glimpse of the people who made up the Communist Party. Reviews of books and performances, invitations to social events, analysis of international news and events from a decidedly left-wing perspective make Communist Historical Newspapers a unique resource across the curriculum.
